

Survival Game of Texas

presents:

On July 17, 1942 the Germans began their assault on the city of Stalingrad. This assault was one of the bloodiest assaults in human history with an estimated total of over 1.5million casualties. This battle was a major turning point in WWII and we are here simply to remember the assault which took place.

On Sunday September 28, 2008, Survival Game of Texas will host the Second Battle of Stalingrad Seven Hour Scenario Game from 10A.M. to 7P.M.
